Meeting called by:

State 4-H Joy Bauder

Type of meeting: Virtual

More information to come on the next webinar!

Agenda:

- Unexpected Surprise – Free Tablet for **FairEntry** use! I received donated tablets from the Trimble Company, in conjunction with the CSU College of Ag and the Agriculture Experiment Station. The only catch is this is a Canadian company and the power source is European, so you will need to purchase an adapter to adequately charge the device. Here are a few links for products from Amazon.

- * Google Chrome
 - * Mozilla Firefox
 - * Microsoft Excel
 - * PDF Viewer
- Need to purchase a scanner for check-in and results? Recommendations from the company are listed below:
